The Personality of Success

Merrick Rosenberg guides audience members to discover the most interesting topic of all - *themselves*! Using his reimagined version of how people learn about personality, Merrick teaches people how to tap into their personality to build stronger relationships and get better results.

Through engaging stories, Merrick will share the insights he's gained from working with everyone from entry-level staff to 2000+ CEOs for over 30 years. His talks captivate audiences as participants learn about themselves and the people in their lives. They will discover how to master their personality and how to adapt with chameleon-like flexibility.

Attendees will:

- Discover the four personalities you meet every day
- Learn why you click with some and clank with others
- Gain the ability to quickly and accurately read anyone's personality
- Heighten their Personality Intelligence to build stronger relationships
- Unlock the secret to becoming their best self

Merrick Rosenberg

Through Merrick's innovative, easy-to-grasp framework featured in nine award-winning books, he has helped hundreds of thousands of people understand and apply personality insights to achieve success and build lasting relationships.
